Sidney T. Moore Esq.  
Secretary American Immunization  
Society,

Dear Mr. Moore:-

I was in Tiffany's yesterday  
I enquired about having one  
of the new "fish" medals. D.  
Kunz advised me to you. Your  
secretary told me over the  
telephone that only a member of  
the Immunization Society might

I have a medal - I feel quite  
sure that could be arranged if  
I had access to a list of members.  
But since I rarely get it  
from you I wonder if the fact  
that my husband is T. S. Hume  
the illustrator and painter; and  
that I want the medal ~~as~~ <sup>for</sup> our  
Xmas present for my Sister, Mrs  
Robert Montgomery Dredge, who  
has collected medals for some years,  
would those facts make it possible  
for me to buy a large fish  
medal?

If you could grant this  
favor I would appreciate it  
greatly and would like to  
send \$5<sup>00</sup> at once for your  
expenses of training a medal  
before Xmas -

Yours very truly

A. H. T. Hanna

Dear Madam:

In response to your letter of December 9th, you were correctly informed that the subscription for the Foch Medal is limited to our members.

I am wondering whether you would be willing to consider the suggestion to make your Mother, Mrs. Donaldson, an Associate of the Society. This would clear away the difficulty; and if she has been collecting medals for a number of years, it would keep her in touch with those which we issue in future. The annual dues are Five Dollars, and you would not pay for 1921 in the eugenieist this suggestion receives your favorable consideration. Members of our Society are also privileged to receive the publications which we issue throughout the year.

Very truly yours,

Secretary
